

THE WITH IMPACT

We are WITH

Women in Technology: Hollywood is a consortium of media and entertainment technology leaders dedicated to being catalysts of advancement for women, technology-career role models, and mentors to inspire and empower bold leaders. To that end, WITH works with many non-profits throughout the year to

Our Community Engagement Partners

WITH supports a group of small non-profit organizations whose missions are focused on helping women in STEM, often from disadvantaged backgrounds.

By the Numbers

700 LIVES IMPACTED

\$100K DONATED
